

The image features a light brown wooden background. In the center, there is a white rectangular box with a thin green border. Two thick black horizontal bars are positioned on either side of the box, partially overlapping its edges. A thin green horizontal line is located just below the word 'Qtrack' within the white box.

Qtrack

QTRACK

This QTrack software has five different views, each with different scenarios

- Admin
- Manager
- TeamLeader
- Modeller
- QC

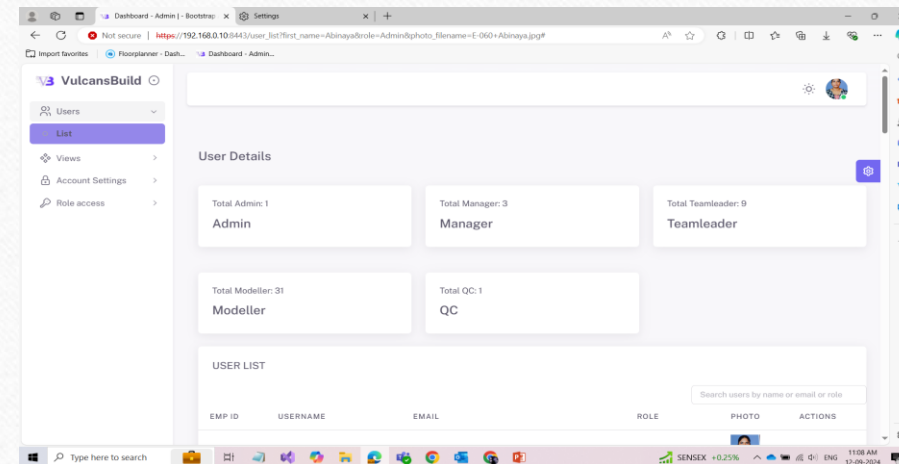

Admin

This is the Admin view for adding and maintaining user information.

-
- Users
 - Views
 - Account Settings
 - Role Access

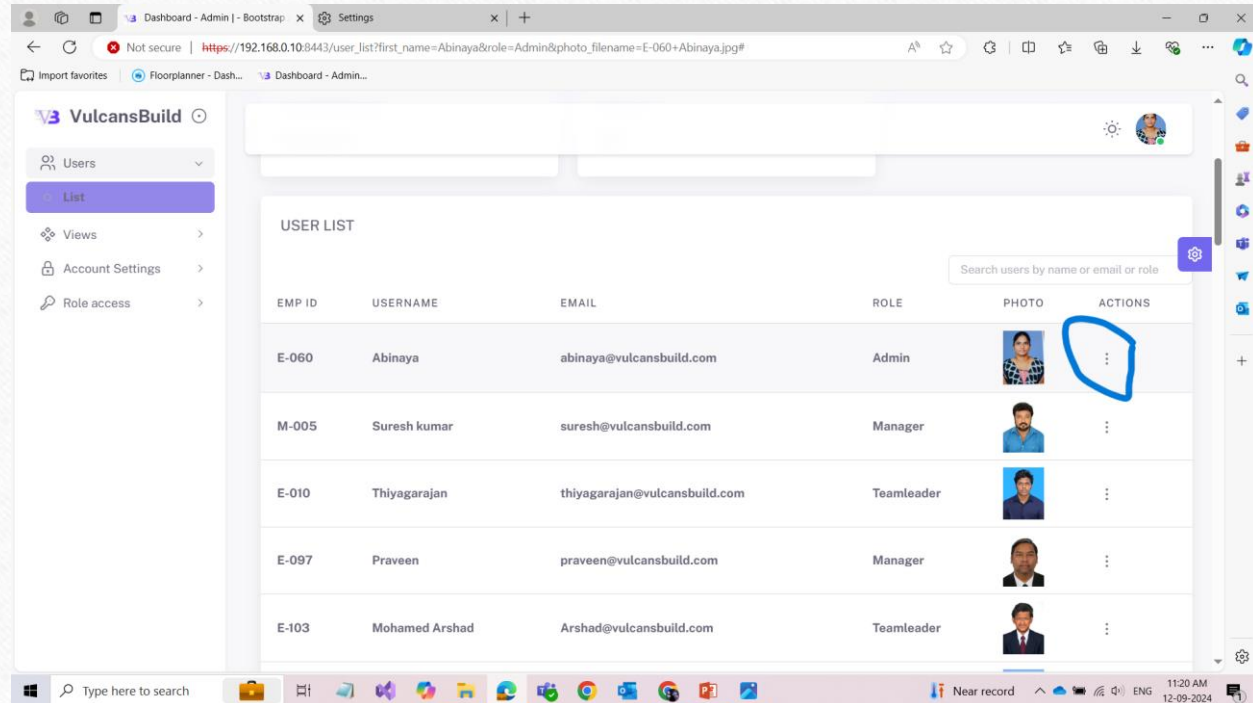

➤Users

- The userlists are displayed under this menu.
- Cards are dynamically shown based on their roles.

➤ Views

Clicking on Users will show a submenu List. When you click on List, it will display the user list. From there, go to 'Action' and click on it. It will show the user's details and performance metrics.

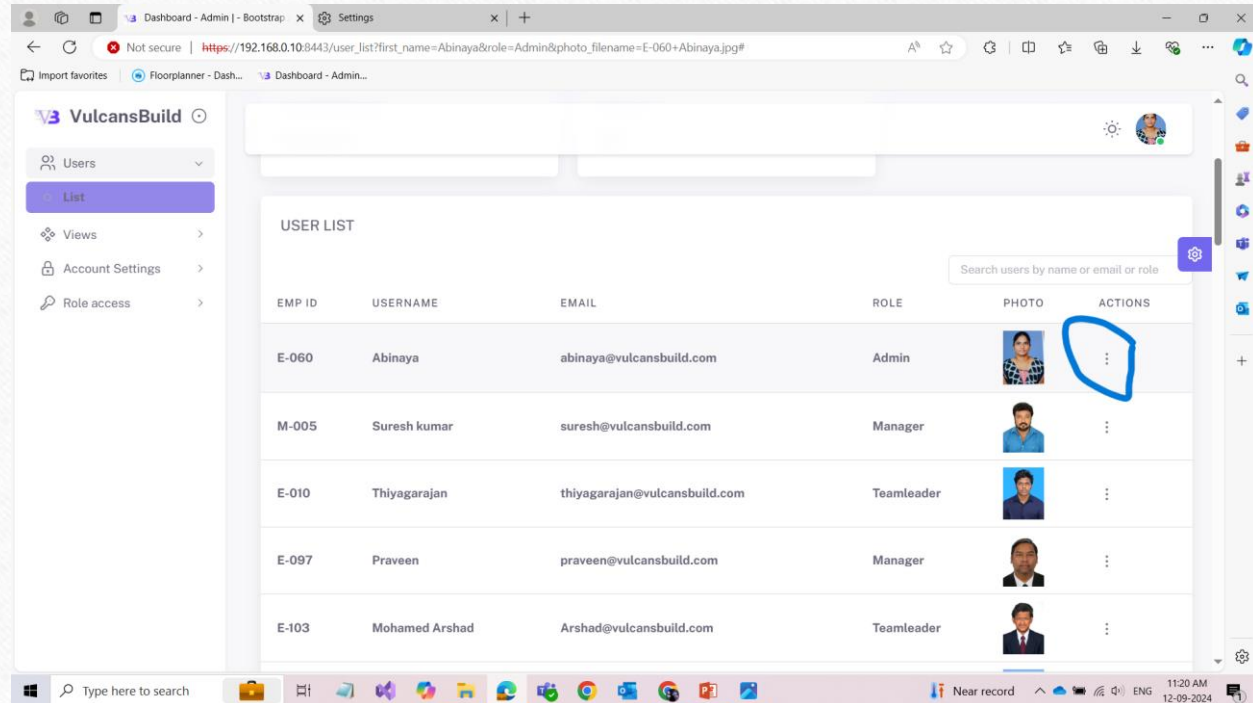

The screenshot shows the VulcansBuild admin dashboard. The left sidebar contains the following menu items: Users (selected), List (highlighted), Views, Account Settings, and Role access. The main content area displays the 'USER LIST' table. A search bar at the top right of the table allows searching by name, email, or role. The table lists five users, with the first user, Abinaya, highlighted. A blue circle is drawn around the 'ACTIONS' column for Abinaya, indicating the next step in the process.

EMP ID	USERNAME	EMAIL	ROLE	PHOTO	ACTIONS
E-060	Abinaya	abinaya@vulcansbuild.com	Admin		
M-005	Suresh kumar	suresh@vulcansbuild.com	Manager		
E-010	Thiyagarajan	thiyagarajan@vulcansbuild.com	Teamleader		
E-097	Praveen	praveen@vulcansbuild.com	Manager		
E-103	Mohamed Arshad	Arshad@vulcansbuild.com	Teamleader

Clicking on Users will show a submenu List. When you click on List, it will display the user list. From there, go to 'Action' and click on it. It will show the user's details and performance metrics.

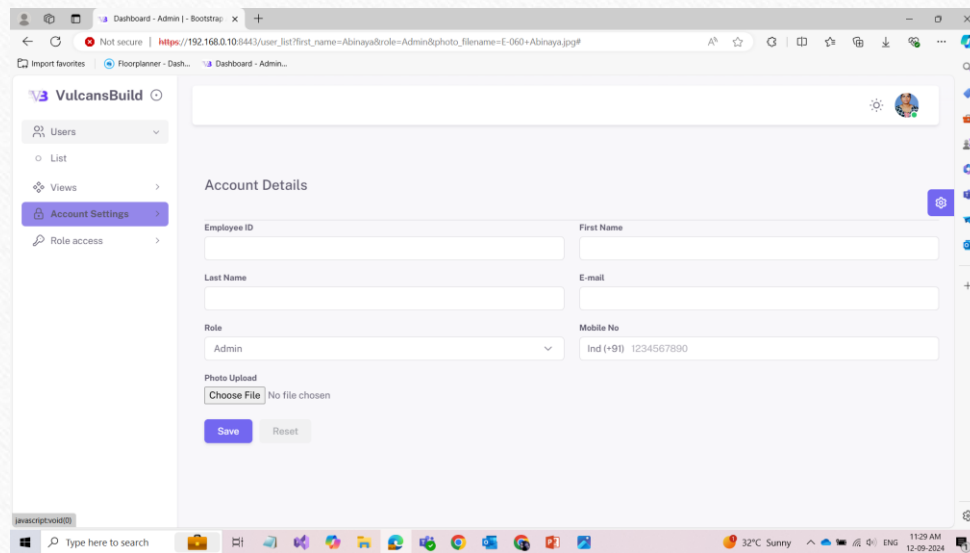

The screenshot displays the VulcansBuild admin interface. The left sidebar shows the 'Users' menu expanded, with 'List' selected. The main content area is titled 'USER LIST' and contains a table of users. A search bar is located above the table. The table has columns for EMP ID, USERNAME, EMAIL, ROLE, PHOTO, and ACTIONS. The first user, Abinaya, is highlighted, and a blue circle is drawn around the 'ACTIONS' column for this user.

EMP ID	USERNAME	EMAIL	ROLE	PHOTO	ACTIONS
E-060	Abinaya	abinaya@vulcansbuild.com	Admin		
M-005	Suresh kumar	suresh@vulcansbuild.com	Manager		
E-010	Thiyagarajan	thiyagarajan@vulcansbuild.com	Teamleader		
E-097	Praveen	praveen@vulcansbuild.com	Manager		
E-103	Mohamed Arshad	Arshad@vulcansbuild.com	Teamleader		

➤ Account Settings

This the form for adding user details.

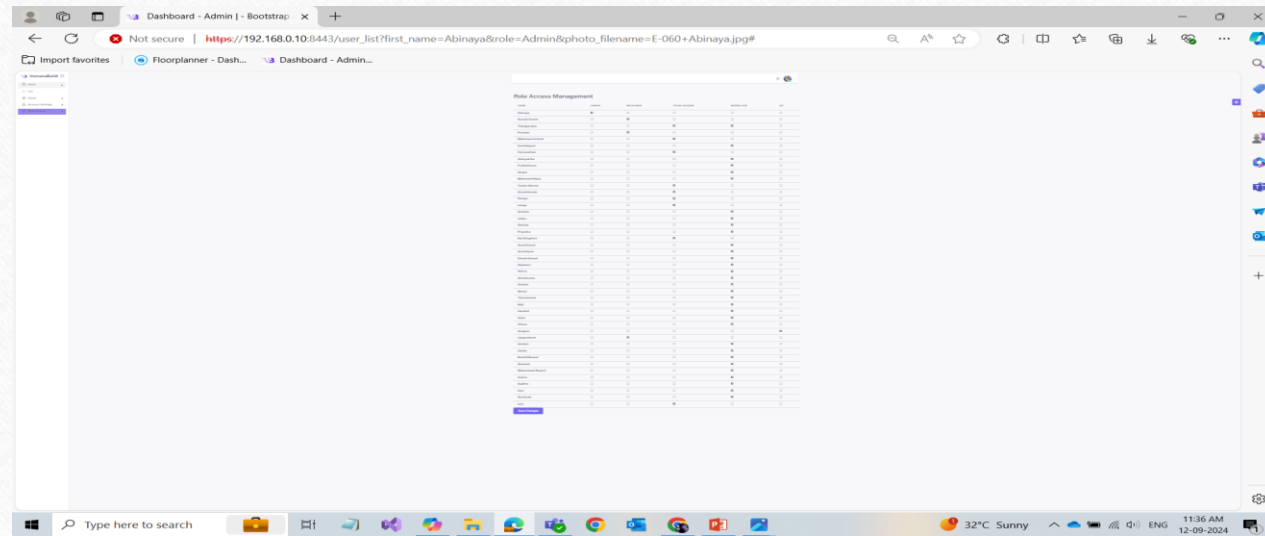

The screenshot shows a web browser window displaying the 'VulcansBuild' application. The browser's address bar shows a URL: `https://192.168.0.10:8443/user_list?first_name=Abinaya&role=Admin&photo_filename=E-060+Abinaya.jpg#`. The application's left sidebar contains a menu with the following items: 'Users' (with a sub-item 'List'), 'Views', 'Account Settings' (which is highlighted in purple), and 'Role access'. The main content area is titled 'Account Details' and contains the following form fields:

- Employee ID**: A text input field.
- First Name**: A text input field.
- Last Name**: A text input field.
- E-mail**: A text input field.
- Role**: A dropdown menu currently showing 'Admin'.
- Mobile No**: A text input field containing 'Ind (+91) 1234567890'.
- Photo Upload**: A section with a 'Choose File' button and the text 'No file chosen'.

At the bottom of the form are two buttons: 'Save' (in purple) and 'Reset' (in light gray). The Windows taskbar at the bottom of the screen shows the time as 11:29 AM on 12-09-2024, with a weather widget indicating 32°C Sunny.

➤ Role Access

- This is the menu for assigning role access to the users.
- Click on checkbox which role you want to give, then click on save changes it will get updated.

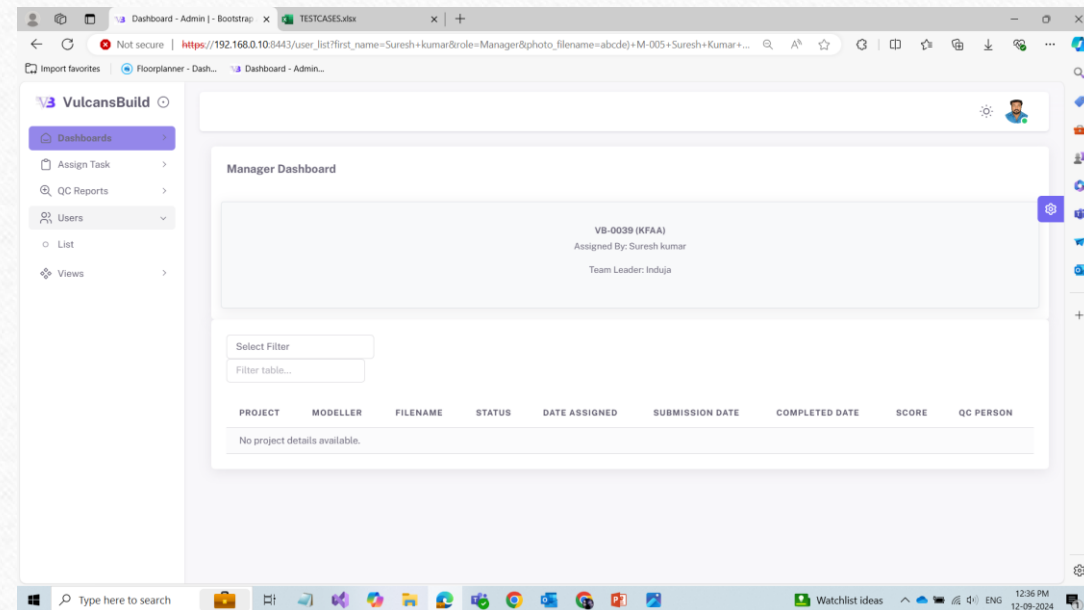

Manager

- Dashboards
- Assign Task
- QC Reports
- Users
- Views

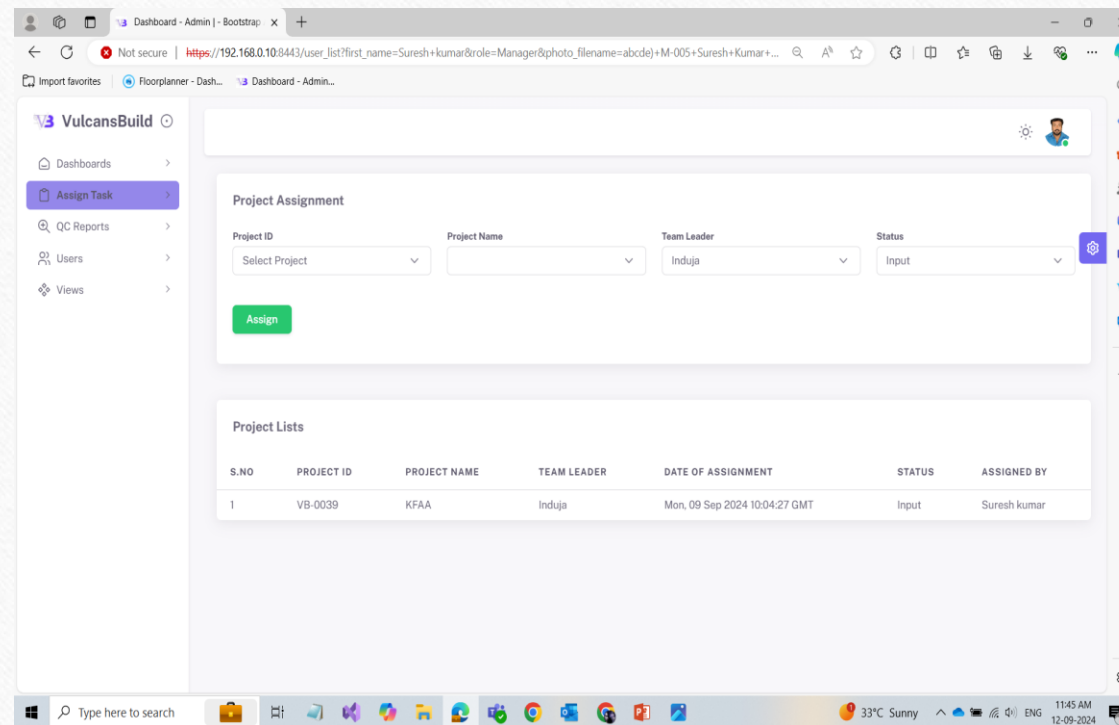

➤ Dashboards

After assigning the projects to the Team Leader, that gets displayed in this menu.

➤ Assign Task

This is the form for assigning projects to the team leader. The assigned projects get reflected in this table.

The screenshot shows a web application interface for 'VulcansBuild'. On the left is a sidebar with navigation links: Dashboards, Assign Task (highlighted), QC Reports, Users, and Views. The main content area is titled 'Project Assignment' and contains a form with four dropdown menus: 'Project ID' (with 'Select Project' as the current selection), 'Project Name', 'Team Leader' (with 'Induja' selected), and 'Status' (with 'Input' selected). Below the form is a green 'Assign' button. Underneath the form is a section titled 'Project Lists' containing a table with the following data:

S.NO	PROJECT ID	PROJECT NAME	TEAM LEADER	DATE OF ASSIGNMENT	STATUS	ASSIGNED BY
1	VB-0039	KFAA	Induja	Mon, 09 Sep 2024 10:04:27 GMT	Input	Suresh kumar

The browser's address bar shows a URL starting with 'https://192.168.0.10:8443/user_list?first_name=Suresh+kumar&role=Manager&photo_filename=abcde)+M-005+Suresh+Kumar+'. The Windows taskbar at the bottom shows the time as 11:45 AM on 12-09-2024, with a temperature of 33°C and weather as Sunny.

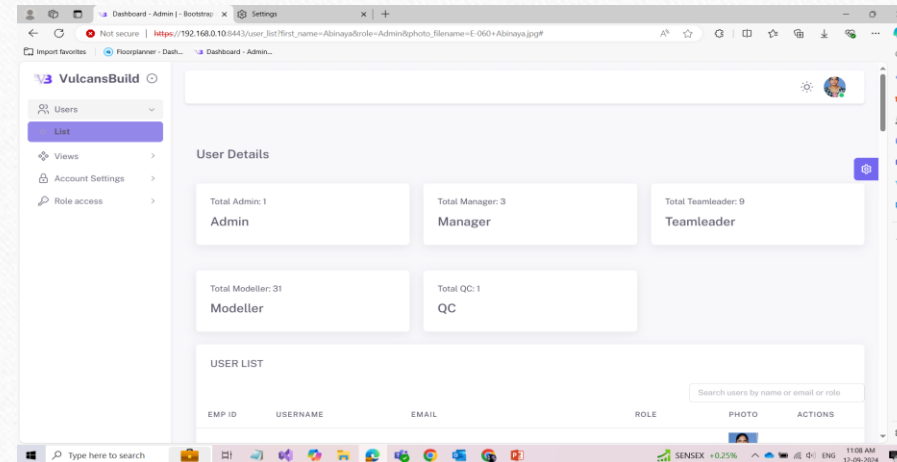

➤ QC Reports

Whatever files above QC Score 90 means gets displayed in this menu.

➤ Users

- The userlists are displayed under this menu.
- Cards are dynamically shown based on their roles.

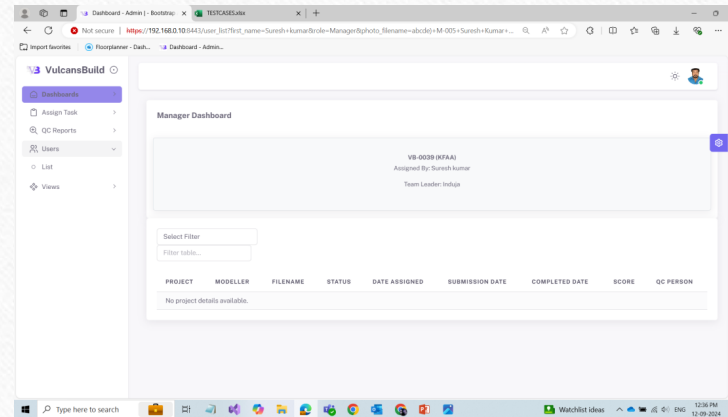

TeamLeader

- Dashboards
- Assigned To Me
- Assign Projects
- File Reception
- File Submission
- Report Reception

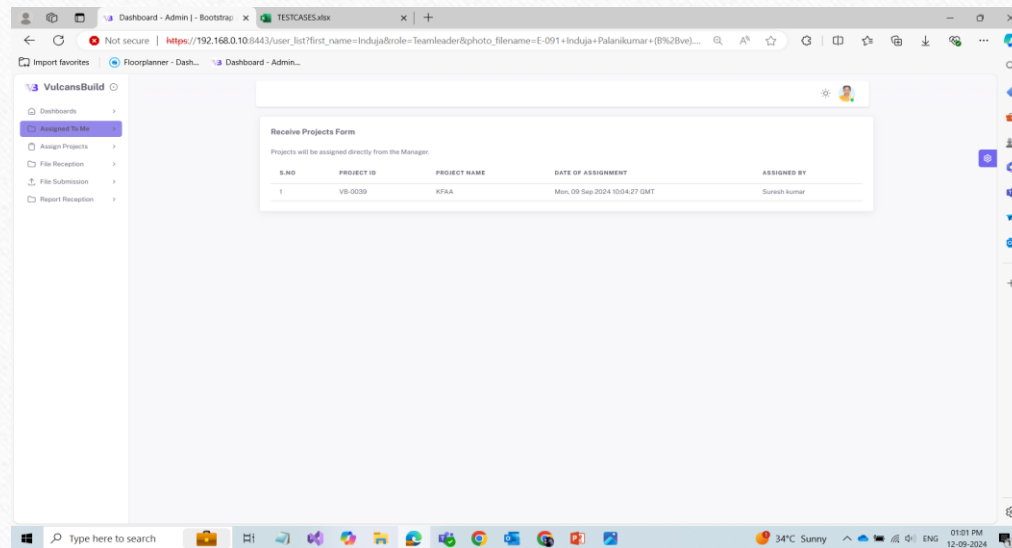

➤ Dashboards

After assigning the files to the modellers, that gets displayed in this menu

➤ Assigned To Me

The team leader received the projects that are assigned by the manager are displayed under this menu.

➤ Assign Projects

After receiving the projects from the manager, the team leader (TL) has to assign the files based on the projects to the modellers. This is the form for assigning files to the modellers, which are then reflected in this table.

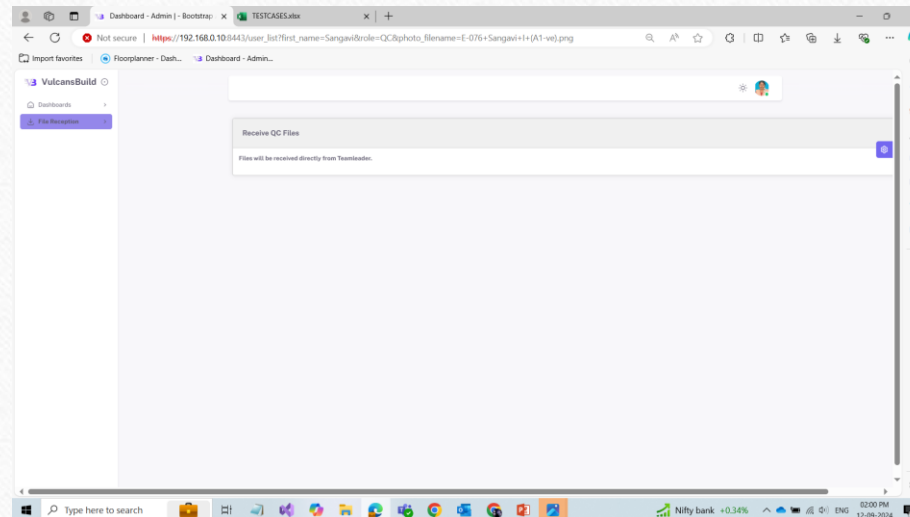

The screenshot shows a web browser window displaying the 'Assign Projects to Modellers' form in the VulcansBuild application. The form is located at the URL [https://192.168.0.10:8443/user_list?first_name=Induja&role=Teamleader&photo_filename=E-091+Induja+Palanikumar+\(B%2Bve\)...](https://192.168.0.10:8443/user_list?first_name=Induja&role=Teamleader&photo_filename=E-091+Induja+Palanikumar+(B%2Bve)...). The form includes the following fields:

- Project ID:** A dropdown menu with the option 'Select Project'.
- Project Name:** A text input field.
- File Name:** A text input field.
- Task Description:** A text input field.
- File Checklist:** A section with a 'Choose File' button and the text 'No file chosen'.
- Modeller:** A dropdown menu with the option 'Abhinavkha'.
- Status:** A dropdown menu with the option 'Select Status'.
- Assign:** A blue button to submit the form.

Below the form, there is a table titled 'Assigned Projects' with the following columns: PROJECT_ID, PROJECTNAME, FILENAME, TASK DESCRIPTION, MODELLER, ASSIGNED_BY, STATUS, and DATE OF ASSIGNMENT. The table is currently empty.

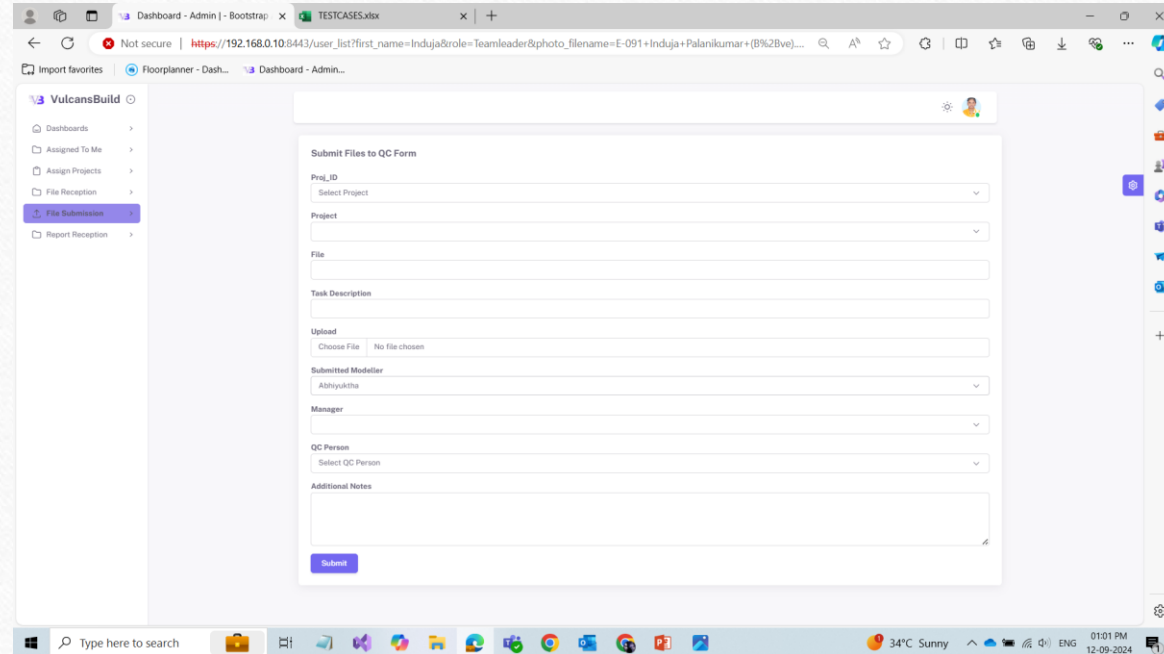

➤ File Reception

In this menu, the teamleader receives the submitted files from the modellers along with the checklist.

➤ File Submission

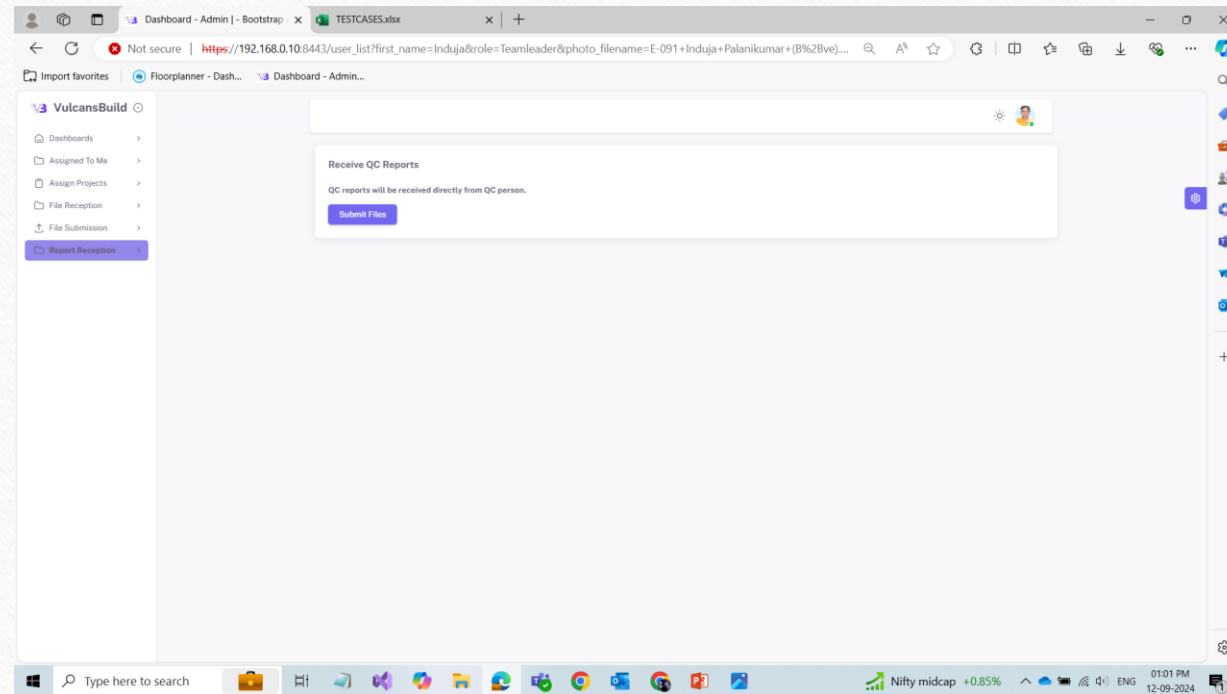

In this menu, the teamleader assigns the submitted files to the “QC” along with the checklist.

The screenshot shows a web browser window with the URL [https://192.168.0.10:8443/user_list?first_name=Induja&role=Teamleader&photo_filename=E-091+Induja+Palanikumar+\(B%2Bve\)...](https://192.168.0.10:8443/user_list?first_name=Induja&role=Teamleader&photo_filename=E-091+Induja+Palanikumar+(B%2Bve)...). The browser tabs include 'Dashboard - Admin | - Bootstrap', 'TESTCASES.xlsx', and 'Dashboard - Admin...'. The left sidebar of the application is titled 'VulcansBuild' and contains a menu with 'Dashboards', 'Assigned To Me', 'Assign Projects', 'File Reception', 'File Submission' (highlighted), and 'Report Reception'. The main content area displays the 'Submit Files to QC Form'. The form fields are: 'Proj_ID' (a dropdown menu with 'Select Project' selected), 'Project' (a dropdown menu), 'File' (a text input field), 'Task Description' (a text input field), 'Upload' (a button labeled 'Choose File' and a status 'No file chosen'), 'Submitted Modeller' (a dropdown menu with 'Abhijaktha' selected), 'Manager' (a dropdown menu), 'QC Person' (a dropdown menu with 'Select QC Person' selected), and 'Additional Notes' (a text area). A 'Submit' button is located at the bottom of the form. The Windows taskbar at the bottom shows the search bar, taskbar icons, system tray with weather (34°C Sunny), and date/time (01:01 PM 12-09-2024).

➤ Report Reception

- In this menu, The TL receives QC reports and scores from the QC person.
 - The TL sends the file directly to the manager if the score is above 90 or sending the files back to the modeller for rework.
-

Modeller

➤ Dashboards

➤ My Tasks

Modeller

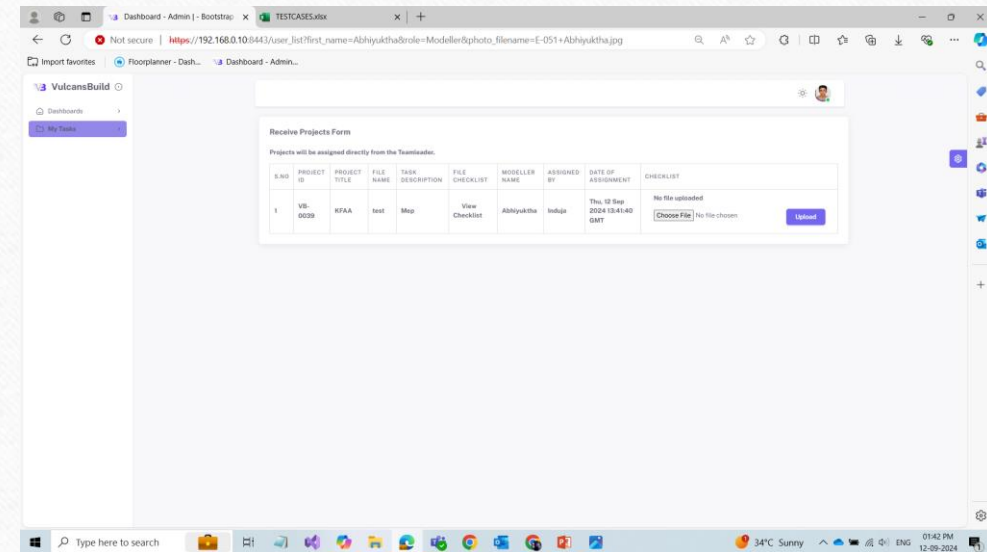

➤ Dashboards

The project that are assigned to the modeler get displayed in this menu

➤ My Tasks

- Modellers receive project files from the team leader.
- Once the modeller completes the files, they upload a file alongwith the checklist. Those files alongwith the uploaded checklist are considered completed and submitted to the team leader.
- If the files are without a checklist, they are considered in progress and have not yet been submitted to the team leader.

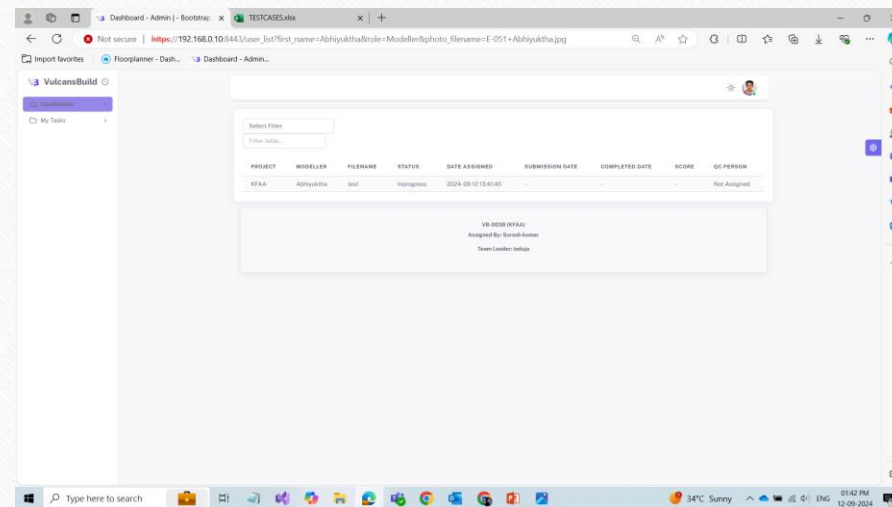

QC

- Dashboards
- File Reception

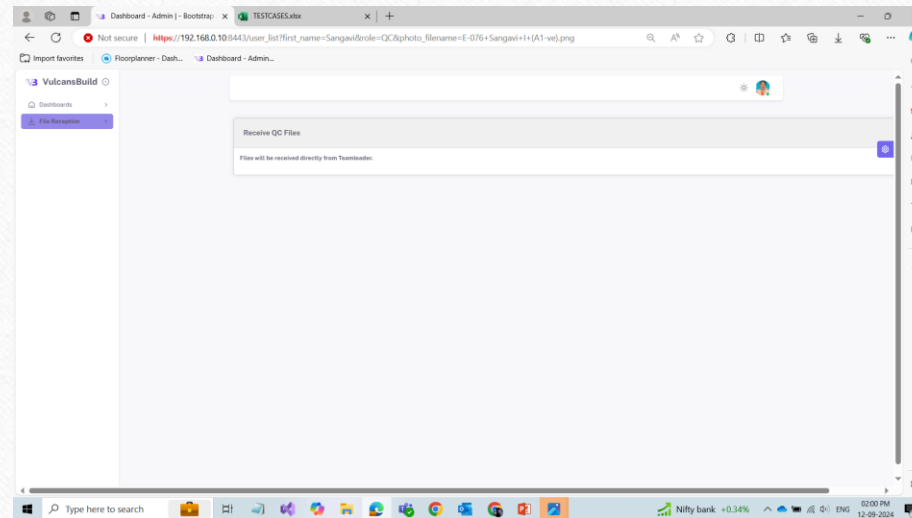

➤ Dashboards

The project details are displayed in this menu

➤ File Reception

- The QC person receives submitted files from the team leader for quality checking.
- The QC person then reviews the files and assigns QC scores.
- Subsequently, the QC person prepares QC reports that include the scores.
- Finally, the QC person sends the QC reports and scores to the team leader.

Thank you
